2nd April 2009 (Week 9)

From the Principal's Desk

Interim Reports

Thank you to all of the classroom teachers and parents who have participated in this week's interim report program. I am sure it has been a valuable exercise and will serve to progress the achievement of improved learning outcomes for all of our children. We hope that some meaningful goals will be set and worked towards over the remainder of the year.

Children obey your parents for this is the right thing to do because God has placed them in authority over you. Honour your father and mother. This is the first of God's Ten Commandments that ends with a promise, and this is the promise: that if you honour your father and mother, you will be a long life, full of blessing.
