Term 3: Aug 20<sup>th</sup> 2009 (Week 5)

**COMMENCING MONDAY**  
**24<sup>th</sup> AUGUST**

*Dear Regent Community*

It seems hard to believe but we are now at the half way point of Term 3. Concert preparation is now in full swing as well as athletics trials and cross country training.

Excursions to musical performances and the Zoo for some classes have added to the busy schedule. It is with these events in mind that it is most encouraging to see that some excellent outcomes are being achieved within the daily learning and teaching program. It was, as usual, wonderful to see a large number of students receiving merit awards for a wide range of achievements at yesterday's assembly.

The Lord does not look at the things man looks at.  
Man looks at the outward appearance, but the Lord looks at the heart.  
(1 Samuel 16:7 NIV)

Speaking of achievements, congratulations to all of those students who participated in this year's **International Competition and Assessment for Schools (Science)**.

In 2008 Regent had 10 participants. This year 18 students took up the challenge and there were some fine results. Well done to the following students who were awarded special certificates:
