June 11th 2009 (Week 7)

PRINCIPALLY SPEAKING. . .

Dear Regent Community

Health and Wellness Issues

At the moment we have several members of our community who are facing medical treatment due to health concerns.

Many of you are no doubt aware that the Senior Pastor from Riverview, Mr Phil Baker has been diagnosed with a tumor which in all probability is a meningioma – which is not a brain

tumor but a tumor of the meninges (which is the membrane that covers the brain). What is encouraging is that meningiomas are, in almost all cases benign. The challenging news is that it is significant in size and is located in such a place that it will require delicate skill to operate on.

Surgery has been scheduled for this Friday the 12th of June.

Please pray for the complete success of this operation, for restoration and for healing.

Hebrews 11:1-3

WHAT IS FAITH? It is the confident assurance that something we hope for is going to happen. It is the certainty that what we hope for is waiting for us, even though we cannot see it ahead. Men of God in days of old were famous for their faith.

Please continue to pray for young Jarvis in PP. Jarvis has been attending school between therapy sessions. It is very encouraging to have him back with us when he can make it and we hope that it will not be too much longer until he will be able to rejoin us on a full time basis.

Please pray for Mrs Jacquie Sebbage, our music teacher, who has been battling a kidney infection. Mrs Sebbage is recovering slowly and we're hopeful that it will not be too much longer until she is back with us.

Congratulations to our Chess Team.

Well done to Othniel Luntungan, Saxon Klem, Arthur Wells and Joseph Pangerl who represented Regent College at the recent Metropolitan Primary Schools Chess Competition.

Out of 22 schools Regent finished 4th which is an *outstanding* effort.

And in the Swimming Pool.

Congratulations to Joshua and Ethan Calleja who both won "Champion Boy" in their respective age groups at the annual Victoria Park Swim Club Championships.

Joshua is the champion swimmer in the 11/ 12 Years age group and Ethan in the 9/10 Years age group. The competition was very strong and both boys were not expecting the outcome. Well done!!
